

INVITATION

The Alaska Highway Aboriginal Pipeline Coalition will be hosting an informative pipeline workshop for its Member First Nations along the pipeline corridor and other interested First Nation participants

Theme: “Learning from the Past – Preparing for the Future”

– Featuring First Nation’s Experiences with Pipelines in Western Canada and Alaska

-
- **When :** February 10 – 11, 2010
 - **Where:** Fireside Room, Yukon Inn, Whitehorse, YT
 - **What:** Two-day Workshop, lunches & refreshments provided
Banquet and entertainment on February 10th
 - **Why:** To inform participants of lessons learned by First Nations who have experienced or who have prepared for a pipeline being built on their Traditional Territory. You will hear First Nation’s and Industry’s experiences and how they dealt with relationships, impacts and benefits in the following pipeline phases:
 - (i) Planning
 - (ii) Regulatory Process
 - (iii) Construction
 - (iv) Operations
